

# Outdoor

Maximize recycling participation using clearly marked openings and labels.

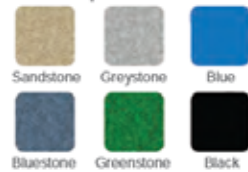

## The Super Sorter Series

- Clearly marked openings and labels creates maximum diversion of recyclables
- Snug fitting liners keep material from falling into the bottom, reducing smell and pests
- Will not rust or dent and are more cost effective than concrete bins

### Capacities

- Better Than Stone: 45 Gallons
- One in One: 30 Gallons
- Two in One: 60 Gallons
- Three in One: 90 Gallons
- Three in One HD: 69 Gallons
- Four in One HD: 92 Gallons

### Color Options

### Super Sorter Openings

Side hinge allows container to be snugged up against wall

Custom colors available for container and openings

## One in One

- 30 gallon capacity
- Has a sloped lid to eliminate "on top" waste
- Side hinge allows container to be snugged up against walls and emptied with ease

## Better Than Stone

- 45 gallon capacity
- More cost-effective than concrete bins
- Will not rust, dent or get dirty like concrete bins

These containers are made with 65-99% recycled content!

Collect more renewable resources into your bins with high capacity multi-storage recycling containers.

## Outdoor

### Two in One

- Complete with two 30 gallon liners
- Available with soft or hard ground mounting kits and also advertising signage

Clearly marked openings and labels creates maximum diversion of recyclables

Snug fitting liners keep materials from falling to the ground, reducing smell and pests

### Three in One HD

- Three 23 gallon liners to allow for a greater variety of recyclables to be collected

### Three in One

- Has three 30 gallon liners

Lid is lightweight; changing liners is done with ease

Containers will not rust or dent and are very attractive on the street

### Four in One HD

- Has four 23 gallon liners

### Super Sorter Signage

Advertising signage available for Two in One, Three in One, Three in One HD and Four in One HD Super Sorters. Signs are an excellent way to generate revenue for your recycling program.
