

Indoor Recycling Stations

Group containers to create recycling islands to ensure recycling area is easily found.

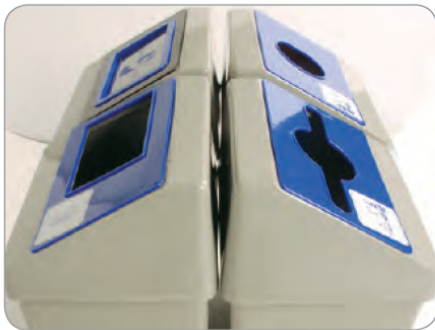

The Smart Sort

- Perfect for centralized areas in places like cafeterias, offices and schools
- Clearly marked openings and labels creates maximum diversion of recyclables
- Easy handling capacity and convenient size and shape for tight spaces
- 'Perfect Fit' plastic bags make collection easy

Capacity
22 Gallons

Stock Colors

blue grey

Back-to-back creates a recycling island

Can be wrapped with vinyl sticker (see pg. 19 for more info on wrapping)

Openings and flaps ensure a clean sort

Optional self-closing flaps with stamp

Wall-hugging design is ideal for tight spaces
