Dust Extractor  
and accessories

The **PacMaster™** is economical and reliable! It converts empty corrugated boxes, which cost money to dispose of, into **FREE** large-volume filler material suitable for packing even sensitive goods for transport. Best of all - It's Easy To Use. The working surface has standard size guides marked on it so that accurate cutting is guaranteed. With one pass of the corrugated the excess is trimmed off and the packaging material is formed.
