

ERGONOMIC, SECURE, CONVENIENT, EFFICIENT

The Defender Series collection carts are your next generation of secure carts! The revolutionary and innovative high security lid is like none other in the industry! Extra security and design features on The Defender Series lids are designed for ergonomics and unparalleled security. The high security lid makes it the clear choice in support of optimal health and safety solutions for the document destruction industry.

IN 2014, OVER 10.1 MILLION PEOPLE WERE VICTIMS OF IDENTITY THEFT!

Low-tech methods for stealing personal information are still the most popular for identity thieves. Stolen items and physical documents accounted for 43% of all identity theft, while online methods accounted for only 11%.

Securely managing your physical information throughout its life cycle is key to ensuring your information is destroyed responsibly. Without taking the necessary precautions to protect your documents on paper you increase your vulnerability and chance of theft.

Take the worry out of sensitive document security today!

One Key Solution:

One key can open every Duraflex console, Shredinator, PDC, Lockjaw and padlocked shred carts for quicker collection

The 9 Gallon Personal Document Container (PDC) is designed to fit beside or under a desk to secure sensitive documents, at arms reach, right at the workstation. It has a holding capacity up to 30 lbs and is perfect for deskside collection.

SECURITY

- Tamper proof lid for confidential disposal of documents

FLEXIBLE

- Designed for deskside document collection
- Eliminates lazy tosses of confidential documents
- Body designed to guide paper into a stack maximizing the container's capacity
- No bag required

EFFICIENT

- Lightweight design and grips on both ends allow for easy emptying
- Lid is completely removable so it doesn't get in the way during the collection process
- Ideal for large volume collection where high frequency is required and/or where space is limited, such as hospitals, large offices, banks, etc.

Lightweight design and grips on both ends allow for easy emptying

Compact size allows container to fit under desk, ensuring all paper is collected

Sturdy lid and lock makes tampering nearly impossible

One key opens every console, cart, Shredinator & PDC

Specifications:

- Capacity: 9 US Gallons
- Weight: 5 lbs. (2.25 kgs.)
- Dimensions: 16.75" L x 12" W x 13.25" H
- Holds up to 30 lbs.

*Patent Pending

Stamping:

- Minimum order: 200 pcs
- Plate charge: \$300 per plate

Green Choice:

Made with a minimum of 35% recycled content

The DuraFlex console is designed with ultra strong poly components that reinforce all the points where traditional consoles fail. The DuraFlex gives you the efficiency, durability and flexibility you need making it an asset to your company for many years.

DURABLE

Ultra Strong Modular Base

- Protects the door at greatest impact points
- Allows console to slide easily
- Low profile castors can be added for easy movement

180° Nylon Hinges

- Door is out of the way when emptying
- Unlike steel, does not damage the melamine when under pressure

FLEXIBLE

- Hinges, base and hooks available in custom colors so you can brand your business on location
- Customized ID badges to put your name front and center in your customer's location
- One key can open every All Source console, cart, Shredinator and PDC
- Environmentally friendly formaldehyde free version available

EFFICIENT

Nylon Hooks

- Easier to hook and unhook
- Bag fits tight. No paper misses the bag
- Prevents collection employees from being scratched and nicked by metal hooks

Light Weight Design

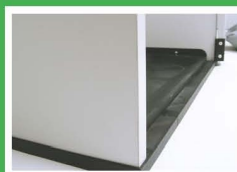

- Lighter weight and improved strength
- Easy delivery and on-site set-up for collection employees

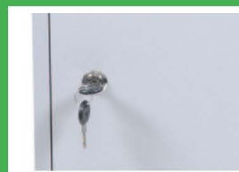

180 Degree nylon hinge for unobstructed collection

Nylon bag hooks makes bag fit tight. No paper misses the bag.

Durable modular base slides easily and supports door in all directions.

One key can open every console, cart, Shredinator and PDC

Specifications:

- Dimensions: 36"H x 21^{1/2}"W x 16"D
- Capacity: 70-80lbs

Colors:

- Custom color options available for base, bag hooks and hinges for self branding
- Poly components come in gray or black on gray melamine

Green Option: The DuraFlex Green Console

Made with recycled wood, is 100% recyclable and formaldehyde-free.

Accessories:

- "Perfect Fit" nylon bags - 30"L x 36"H
- Low profile castors
- ID badge: 3 1/16" W x 1 1/4" H

One Key Solution:

- One key can open every console, cart, Shredinator and PDC for quicker collection

Security:

- Internal lock plate and double turn lock for added security
- Kick plate, paper deflector and striking plate
